EDUCATION

B.Tech in Computer Science and Engineering

I.K Gujral Punjab Technical University

09/2022 - Present Kapurthala, Punjab

- Achieved an SGPA of **8.24** out of 10, demonstrating consistent academic excellence.
- Actively supported peers as a mentor and tutor, fostering a collaborative learning environment.
- Participated actively in cultural activities such as dancing and poetry, showcasing creativity and teamwork skills.

SGPA

8.24 / 10

EXPERIENCE

Online Internship in IoT Data Analysis

NIELIT, Chennai

06/2024 - 08/2024

Working on real-world projects, collaborating with experienced professionals
[Offer Letter](#)

PROJECTS

Youtube - Clone

<https://github.com/nikita7526/YOUTUBE-Clone>

- I developed a YouTube clone as a web project, focusing on creating a functional and visually appealing interface similar to YouTube.

Portfolio Website

<https://nikita7526.github.io>

- My portfolio website is built with HTML, CSS, and JavaScript to showcase my skills and projects. The project demonstrates my proficiency in HTML, CSS, and JavaScript, and my ability to replicate complex web applications.

Designing a Drone-Powered Inventory Management System

Document

- Worked on Project Abstract Drone-Powered Inventory Management System to revolutionize inventory control by using drones integrated with AI and ML. This system ensures real-time tracking and precise item positioning within warehouses, optimizing space and improving efficiency.

PUBLICATIONS

Recent Advances in School Education

Department of Holistic Education RASE

12/2023

Book Preview

- My poem, *Cherry on the Cake: Celestial Bonding, Unveiling the Paradox of Me and You*, was published in the **Recent Advances in School Education** (RASE 2023) book by the Department of Holistic Education. This publication was part of the prestigious event hosted by शिक्षा महाकुंभ and NIT Jalandhar.

SUMMARY

I am eager to bring this enthusiasm and adaptability to your team, where I can contribute my fresh perspective and continuously improve my technical skills while supporting projects and goals.
